“ Next door neighbors from our move in Spring of 1973. We could not have chosen better people to neighbor with. They were warm and friendly and we enjoyed working together in our yards. Jean and Sally shared a love of flowers. She was game for anything even into her 80s including wielding her little chain saw to help prune our apple tree. Our sincere condolences.

“ Jean was such a sweetheart. We got to know her at LCH. She was a tablemate to my father. So kind. Thoughts and prayers are with her remaining family members.

“ My parents, John and Kay Nierman and I lived across the street from Jean, Avis and Tiny. They were great friends of my mom and dad. I know they loved to go out to eat, play cards and visit together. There was always alot of laughter when the four would be together. Jean was one of the sweetest ladies and I will always remember her with love. My deepest sympathy to you.
