“ Dear Family,
Many years ago, we went to church with Jean. I thought then how well dressed and beautiful a woman she was, she had an easy laugh and a welcoming spirit. Several years ago, I got to help with Hospice. While I was volunteering with Hospice, Jean was one of the dear people I got to see. She made me smile each time I went to see her, she lifted my spirits more than I ever lifted hers. She made me smile with her honesty, and quick wit. What a gift the family had in her!

“ My mom Lucy Tuggle worked for Bud and Jean. She loved them like family and they were great friends. I can remember going out to their house for fun visits. Mom loved the girls to. My heart is with the family during this difficult time. I am praying for you.
